She was again re-elected as independent director on May 12, 2016.

Jose Portugal Perez was elected to the Board of Directors as an independent director to fill the vacancy created by the death of Mr. Villaruz, at the regular meeting of the Board of Directors on March 14, 2017.

Both Consuelo Ynares-Santiago and Jose Portugal Perez were re-elected as independent directors at the annual general meetings of the stockholders held on May 11, 2017, May 10, 2018 and May 9, 2019.

The two (2) independent directors possess the qualifications, and do not have any of the disqualifications, under law and the Manual on Corporate Governance. As Antonette C. Tionko and Paola Sherina A. Alvarez are connected with the DOF, their designation in writing by the Secretary of the DOF as nominees of the ROP to the Board of the Company satisfies the requirement of consent from the head of the government agency to which the nominees are connected.

While Mr. De Jesus does not hold the position of director as a representative of the government like the nominees from the Department of Finance, the Bases Conversion Development Authority, the parent company of Clark Development Corporation, in which Mr. Jose P. De Jesus sits as the Chairman, issued a Certificate of No Objection to his position as director of the Company. A copy of the said certificate is attached as Exhibit "3-B" in this Information Statement.

Part III(A), item 4 - Brief description of the general nature and scope of business of the Company

The Company was incorporated in the Philippines on July 26, 2000, by virtue of a joint venture agreement between MTD Manila Expressways, Inc. ("MTDME") and the Philippine National Construction Corporation ("PNCC"), primarily to engage in the rehabilitation, construction and expansion of the South Luzon Expressway ("SLEX") from the Alabang Viaduct to Lucena City in Quezon, and other allied businesses such as the upgrading, replacing, and enlarging, repairing, improving, modernizing, developing, or otherwise engaging in any work upon the toll roads, including all approaches, interchanges, overpasses, bridges, toll plazas, sewerage and drainage system, and related civil works, and for such purpose provide the necessary site survey, traffic studies and investigations, materials and equipment, and supply, and install a toll collection system for the toll roads, traffic toll and data management system, weighing sensors, central computers, CCTV systems and related equipment, without engaging in activities or the operation of a public utility except contracts for construction of locally-funded government projects (N.B. At the time of the execution of the aforesaid joint venture agreement with PNCC and the incorporation of the Company, MTDME

was still known by its original name upon incorporation, Hopewell Crown Infrastructure, Inc. [“HCII”]. HCII’s name was formally amended to MTDME on September 26, 2005.).

On February 1, 2006, the Republic of the Philippines (“ROP” or the “Grantor”), through the Toll Regulatory Board (“TRB”) awarded to the Company a 30-year concession ending on February 1, 2036, to finance, design and construct the SLEX, and to Manila Toll Expressway Systems, Inc. (“MATES”) the concession to operate and maintain the SLEX, through and under the February 1, 2006 Supplemental Toll Operation Agreement (“STOA”) entered into by the ROP, represented by the TRB, and the Company, MATES and PNCC. MATES is the operating company established by MTDME and PNCC pursuant to their aforesaid joint venture agreement,

The SLEX Project currently spans 36.1 km from Alabang, Muntinlupa to Sto. Tomas, Batangas. The SLEX is one of the three major expressways that link Metro Manila to the key southern provinces of the Philippines, including Cavite, Laguna, Batangas, Rizal and Quezon (“CALABARZON”). To the north of the SLEX is the Skyway system, and to the south is the Southern Tagalog Arterial Road (“STAR”). SLEX connects with the Skyway System and STAR and is a key logistical backbone to the southern corridor of Metro Manila.

On April 25, 2012, the Company received a written notice from the Department of Finance of the conveyance of the interest of PNCC in the Company to the ROP by way of a Deed of Assignment. This was a consequence of the expiration of the franchise of PNCC under P.D. No. 1113, which resulted in the automatic transfer to the ROP of the toll road facilities of PNCC under P.D. No. 1113 and all the shares, interest and participation of PNCC in the Company.

The directors and officers of the Company, including their principal occupation or employment, are disclosed and discussed in Part 1(B), Item 5(a) above.
